

SHEPHERD

Audition Side

SHEPHERD A: (Addressing the audience in a calm and genial voice.) Hello! Please do not be alarmed. The following invasive scans are for your safety.

SHEPHERD B: Please present your ticket now. Scanning. Scanning. (SFX: Ding.)
Admittance accepted.

SHEPHERD A: Warning: the Starship Adventure makes use of artificial gravity; please note that smuggling natural gravity aboard may increase your risk of explosive decompression. Remain seated while the cabin is scanned. Scanning. Scanning. (SFX: Ding.) Gravity detox—mostly—confirmed. You will probably not explode.

SHEPHERD B: Please present blood samples to confirm genetic profile. Scanning. Scanning. (SFX: Ding.) Genetic profiles accepted. (SFX: Error noise.) Error detected. According to our scan, there are—three—cyborg duplicates—seated among you. Remember: if you are a cyborg duplicate, please refrain from murdering the other passengers at all times.
